

Operational notice:

Next September 18th, Medgaz will perform its annual maintenance shut down. These operations will take approximately 12 hours from 3:00 (CEST) till 15:00 (CEST). During this period the gas flow will be stopped, to perform the scheduled works. Therefore, the entire Medgaz transportation capacity will not be available during commercial days September 17th and September 18th. Shippers, shareholders and third parties involved has been informed.
